

# ANNA AT THE ART MUSEUM

HAZEL HUTCHINS & GAIL HERBERT \* ILLUSTRATED BY LIL CRUMP

 ANNICK PRESS  
TORONTO • BERKELEY

Anna was not happy.

Everything at the art gallery seemed old and boring.

Anna would have to entertain herself.

"ROAR!" she said to the lion.  
"Quiet please," said the attendant.

"Peekaboo," she whispered to the baby.  
"Careful!" said the attendant.

When Anna carefully lifted her foot onto something that looked like it was for children, the attendant shook his head, no, and pointed to the sign.

School  
Tours

So, Anna and her mother had a talk. It was one they'd had earlier, but perhaps Anna had not listened quite as closely as she should have.

No shouting.

No running.

No climbing.

No touching.

After that, Anna pretended she was  
a small bush in a forest of tall trees.
